Local Councils in England and Wales Annual return for the year ended 31 March 2002

Local councils in England and Wales (Parish Meetings, Parish Councils, Town Councils and Community Councils) are expected to complete an annual return summarising their annual activities at the completion of each financial year.

The annual return on the following pages is made up of four sections. Sections 1 and 2 are to be completed by the local council, Section 3 by its external auditor and Section 4 by the council's independent internal auditor. Please complete all relevant sections or attach notes explaining why this cannot be done. Incomplete or incorrect returns may require additional external audit work, which will be charged at the Commission's agreed variable fee rate. When these three sections are complete, please send the annual return, together with the additional information requested, to your appointed external auditor who will add his or her certificate and opinion in section 3.

Please do not send any original financial records to the auditor. If required, your appointed auditor will request to see any documents he/she needs.

Audited and certified annual returns will be returned to the Responsible Financial Officer of the submitting council for publication in accordance with the Accounts and Audit Regulations 1996. There is no requirement for councils to publish the internal auditor's annual report although councils may choose to do so.

Guidance notes and instructions for completion are included at relevant points in the return. In the event that further guidance may be required, councils should refer to the practitioners' guide or contact their representative bodies, the County Associations of NALC and/or SLCC, who are providing support to local councils and their clerks.

It should, therefore, not be necessary for councils to contact the external auditor or the Audit Commission directly for guidance.
